

Banner ads:

The main advantages of banner advertising on our website:

- Visual attraction of attention.
- Wide audience coverage.
- Flexibility in customization.
- Tracking of results.
- Possibility of targeting.

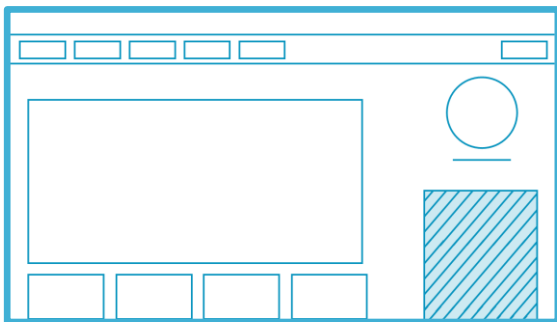

The cost of one banner is 30€ and is payable one time at the time of production. Please note that if you change the appearance of the banner, you will be charged the full production cost. The banners of our website are the property of our website and may not be used on other resources.

Visual representation of banners:

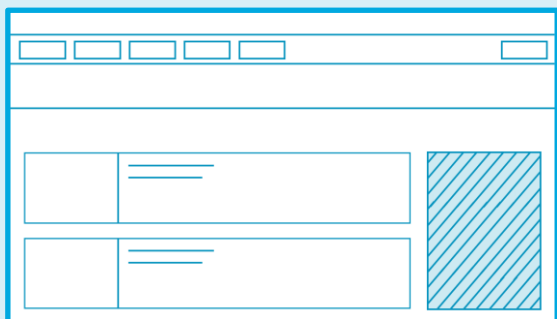

Place your ad on a **side banner on author page** - capture the attention of your target audience and increase your brand awareness.

80€ a month

Introduce your brand and services by placing your advertisement on the **side banner of the offer view page**.

From 50 to 100€ per month

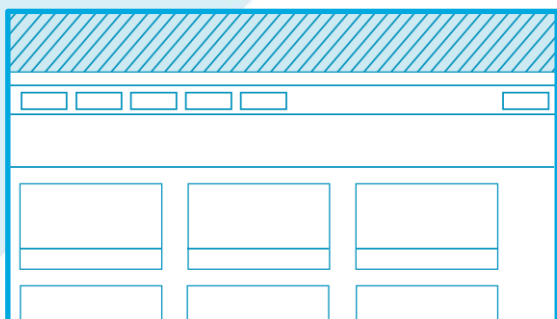

A unique place for your advertisement in the **search section or categories** among the offers.

From 60 to 390€ per month

Grab attention among real estate agencies with our banner in a section from the **agency listings**.

From 90 to 490€ per month

Place your stretch ad in the **header of the website** - the most prominent and prestigious place to catch the attention of customers at first sight.

From 490 to 790€ per month
